About Me

UI/UX Designer skilled in Figma with a keen eye for clean, user-friendly design. Draws inspiration from Behance, Dribbble, and Mobbin, and enhances visuals using Photoshop and Premiere Pro. Passionate about crafting experiences backed by research and design thinking.

Professional Experience

UI/UX Designer Intern

Playtplus • 6 months

Designed and developed mobile and desktop versions. Conducted research, created user flows, and delivered high-fidelity prototypes ensuring consistency and usability.

UI/UX Designer Intern

IMD Shimla • 45 days

Designed user-friendly web layouts and graphics for institutional meteorological displays using Figma and Adobe tools.

UI/UX Designer Intern

Tech Glock • 45 days

Worked on real-world projects focusing on UX fundamentals, wireframing, and prototyping.
